

Community Beautification Award Nomination

Do you know of a property that was recently renovated or significantly cleaned up to make the neighborhood shine and improve the community? We want to hear about it!

You are invited to submit a nomination for the Community Beautification Award. The Berkshire County Board of REALTORS may grant Beautification Awards to any Berkshire property owner who has been involved in significantly restoring a home or building to contribute to the betterment of the neighborhood. The purpose is to recognize and congratulate hard work done that benefits an entire community.

The committee will accept applications all year, but will consider applications quarterly. Following review of the applications/nominations, the Committee will review each of the properties. Honorees will be selected from all regions of the Berkshires for both Residential and Commercial renovations and/or improvements.
